Professional Experience

Founder & Program Lead — Maagal Hebrew — 2026–Present

- Delivered 50+ Hebrew practice sessions, owning curriculum, scheduling, participant communications, and live facilitation.
- Directed AI-assisted development of a Hebrew-learning platform with AI-backed phrase and conjugation tools, translating learner needs into requirements and reviewing interface iterations.
- Developed a Level 1 curriculum spanning 8 units and 26 decks through AI-assisted authoring, with teacher guides, learner exercises, and assessments.
- Created and refined bilingual learning materials and visual assets using Canva and AI tools, aligning content and presentation with the program's needs.

Independent Notary Signing Agent & Settlement Agent — Self-employed — 2020–2026

- Executed purchase, refinance, and other real estate signing assignments across Washington, DC, Maryland, and Virginia, coordinating document readiness, identity verification, signing, and delivery.
- Identified document discrepancies and escalated exceptions to lenders and title teams before signing or funding deadlines.

Director of Sales & Marketing — Capitol Title — Sep 2022–Jan 2025

Previously: Business Development & Settlement Agent — Sep 2021–Sep 2022

- Coordinated 20–30 closings per month in the earlier role, aligning customers, lenders, attorneys, and title teams around fixed deadlines.
- Planned and delivered 1–2 client and partner events per quarter, coordinating vendors, logistics, communications, and follow-up.
- Developed referral relationships and coordinated marketing initiatives, using campaign performance and customer feedback to guide follow-up.

Education

B.S., Data Analytics & Database Administration — Western Governors University
